Inspired by the beloved live comedy show of the same name, “Thank You For Coming Out” pairs host Dubbs Weinblatt with lesbian, gay, trans, bi, non-binary, and more members of the queer community to discuss their coming out stories. Each week, join Dubbs as they dive deep into these tales with an open heart and open mind.

**Working Class History**- History is not made by the actions of a few rich and powerful individuals, like so much of the history we learn in school. History is made by the combined everyday actions of hundreds of millions of us: people of all genders, ages, races, ethnicities, abilities, citizenship statuses, and employment statuses— the working class.
