

Pride 2025:

Designs from Keshet

Please feel free to use these designs in your Pride 2025 celebrations! When using these designs, please note the following guidelines:

- Do not remove or alter the Keshet logo
- Do not alter designs (do not warp or change the colors) – but do feel free to add your org logo to white space in the design
- All designs should be printed/used in landscape layout
- Designs should be printed on a white background
- All designs should be printed in full color

Thank you for being a part of our Keshet community working to create LGBTQ+ belonging in Jewish spaces and LGBTQ+ equality in our world!
