

Empowering Youth

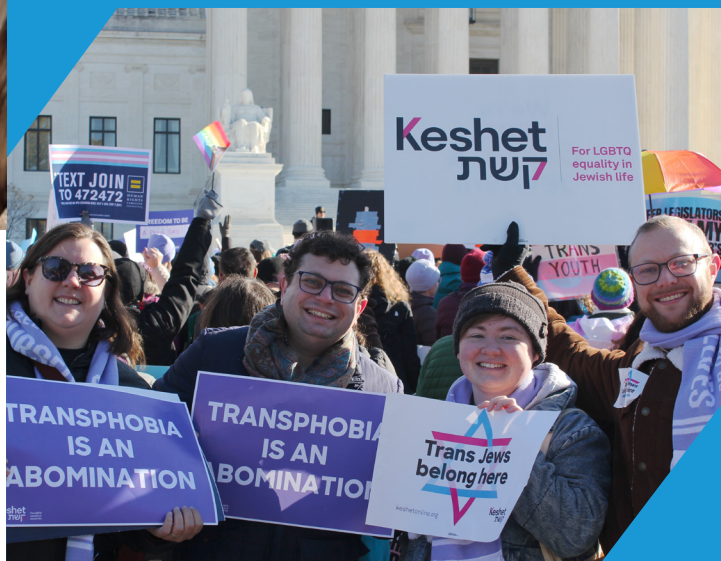

Keshet's online and in-person initiatives offer LGBTQ+ and ally Jewish youth ages 11-24 the opportunity to celebrate their identities, make friends, and find their voice as emerging Jewish leaders.

From our life-changing LGBTQ+ and Ally Teen Shabbaton Weekend Retreats, to in-person programs in NYC, Boston, South Florida, and Chicago, to year-round online programming, to summer advocacy internships, you have a place in our community!

"Keshet is the thing giving me hope right now. It makes me really happy, and I know if Keshet keeps doing the work they're doing—for youth, and adults, and everyone in between—that the world will be a better place."

— RENA, YOUTH LEADER AND SHABBATON PARTICIPANT

Keshet envisions a world in which all LGBTQ+ Jews and our families can live with full equality, justice, and dignity.

Keshet works for the full equality of all LGBTQ+ Jews and our families in Jewish life. We strengthen Jewish communities. We equip Jewish organizations with the skills and knowledge to build LGBTQ+ affirming communities; create spaces for LGBTQ+ Jewish youth and LGBTQ+ Jews of Color to feel joy and belonging; and advance LGBTQ+ rights nationwide.

Advocating for LGBTQ+ Rights

Keshet galvanizes Jews to advocate for LGBTQ+ rights by partnering with synagogues and other Jewish organizations to include LGBTQ+ equality within their social justice priorities. Join us and bring our movement to your Jewish community!

Keshet is also proud to work with secular LGBTQ+ movement partners to bring a Jewish voice to campaigns for our rights, safety, and dignity.

Transforming Institutions

Keshet works nationwide with synagogues, Jewish schools, JCCs, youth movements, summer camps and more to ensure that all LGBTQ+ community members are respected, safe, and affirmed.

Through our education and training programs, we empower Jewish institutions to cultivate cultures of equality and belonging. We'll equip your community with the tools you need to take the next step forward!

"When planning Creating Change [the largest LGBTQ+ advocacy conference in the U.S.], I knew Keshet was the right organization to represent the Jewish voice. Keshet's presence ensures Jewish representation in faith-based LGBTQ+ advocacy, helping us navigate complex challenges while fostering a welcoming environment."

— TAHIL SHARMA, FAITH DIRECTOR,
NATIONAL LGBTQ TASK FORCE

Community for LGBTQ+ Jews of Color

Keshet is cultivating a growing, intergenerational LGBTQ+ Jews of Color community across the country that celebrates and invites people to embrace their full selves within Jewish spaces. Join us!

We also provide resources specifically for Jewish leaders and organizations who are not LGBTQ+ Jews of Color, empowering them to become stronger, more effective allies.

"For decades, we strove to be a Jewish community where LGBTQ+ folks feel not only welcomed, but valued. Working with Keshet was an extension of that longstanding commitment to equity and belonging and helped us see areas where we could improve."

— JOANNA SCHNURMAN, OFFICE ADMINISTRATOR,
ADATH ISRAEL, CONNECTICUT

"The first time I ever felt like I truly belonged was at the Keshet Shabbaton for LGBTQ+ Jews of Color. We were all existing together in that space without having to explain our existence or presence. It was pure, unfiltered joy."
